STUDENT NAME:

Please check each box:

- We (parent/guardian and student) agree to all guidelines and requirements of the Christian Service Policy.
- We understand that the purpose of the SMHS Christian Service Program is to provide for the kinds of powerful *interpersonal* experiences that can change the hearts of our students and teach them to readily see the dignity of every human person.
- We understand that **summer service hours** will NOT be counted if they are turned in after the deadline of **September 1.**
- We understand that students who have not met the two deadlines (**December 1 and March 29**) will have their quarter grades lowered by up to one letter grade (*1% each day they are late – up to 8%*). They will also not be able to take the midterm or final exams of any of their classes.
- We understand that service hours can only be acquired from organizations and agencies listed on the SMHS website. Please note: If you would like an agency to be added to the list, please see Mr. Fletcher in the main office. **Agencies must already be approved at the time the students do the service.**
- We understand that students will be given credit for 3 “A” hours for writing letters to the elderly and shut-ins in our community in their theology class. We also understand that each student will be given credit for 2 “A” hours for participating in an after school class field trip to a local nursing home (transportation to be provided by the student’s parents).
- We understand that each student is responsible for tracking and maintaining their documentation and forms in the Christian Service section of their Theology class binder.
