HOW AND WHEN TO APPLY FOR TOPS?

To apply for TOPS, the student must complete the Free Application For Federal Student Aid (FAFSA) at www.fafsa.ed.gov or the TOPS On-line Application at www.osfa.la.gov. The FAFSA must be completed by students who qualify for federal grant aid, and by students who are seeking other forms of financial aid. The TOPS On-line Application may be completed by students who can certify that they do not qualify for federal grant aid. In the event of a budget shortfall, students completing the TOPS On-line Application instead of the FAFSA will be the first to lose their TOPS award.

Graduates of 2012 - The TOPS application deadline is July 1 following the one year anniversary of high school graduation. You **MUST** file your FAFSA or TOPS On-line Application so that it is received by the federal processor by July 1, 2013 to receive full TOPS funding. However, to ensure timely processing and award notification, students are strongly encouraged to file at least six weeks prior to entry into college. Be sure to **PRINT** and **RETAIN** your dated FAFSA or TOPS On-line Application confirmation page that includes the confirmation number in case verification of timely filing is required. *No payment of a TOPS award will be made until the initial FAFSA or on-line application has been received and you have been determined eligible for a TOPS award.*

2 - Core units may NOT be waived if not offered at the high school attended. It is the student's responsibility to acquire any such course(s) through approved correspondence or distance learning venues. Individual courses may be waived for students with exceptionalities or disabilities that prevent enrollment or successful completion. See reverse side for TOPS Core Curriculum. Beginning with graduates of the 2013-2014 Academic Year, the TOPS Core Curriculum will increase to 19 units. Go to <http://www.osfa.la.gov/topsCore4> for details.

3 - A qualifying score must be achieved on a National, International, Military or Special ACT or equivalent Scholastic Aptitude Test (SAT) no later than April 30 in the year of high school graduation. Awards will be reduced if tested after this date. Scores acquired on tests taken after June of the graduating year will not be considered. For an ACT or SAT score to be considered, the student must enter code 1595 on the ACT registration form or code 9019 on the SAT registration form. The score for the writing section is NOT included. Also be sure to enter your social security number on your ACT.

4 - A qualified student who enlists and enters on active duty in the Armed Forces within one year of graduation from high school must enroll in an eligible college within five years of the date of graduation or within one year of separation from active duty, whichever is earlier. The veteran must not have been discharged with an undesirable, bad conduct or dishonorable discharge. A student who meets these requirements and did not previously apply, must file a FAFSA within one year of separation from active duty.

5 - Students qualifying for more than one award shall receive the highest award.

6 - The academic year begins with the fall semester or term and ends at the end of the spring intersession. All interim terms and intersessions within this time frame are included. A "spring intersession" is an academic term that provides credit courses to students in an intensive, condensed format that is no longer than 15 class days and ends no later than June 15.

7 - Exceptions for "first-time freshman", "full-time and continuous enrollment and/or 24 hour" requirements may be granted for demonstrated cause. Contact LOSFA or go to www.osfa.la.gov/exceptionform for an application.

8 - Students who met the academic requirements for a TOPS award and enrolled as a first-time freshman at an out-of-state college or at an eligible

in-state college but subsequently enrolled at an eligible out-of-state college may apply for TOPS by submitting the Application to Return from an Out-of-State College no later than July 1st immediately following the academic year during which the student returns and enrolls as a full-time student in an eligible Louisiana college. All supporting documents must be received no later than January 15th following the deadline. The student must have met the renewal requirements for TOPS while enrolled out-of-state and must submit a FAFSA or TOPS On-line Application by the applicable deadline. Students who first enrolled full-time in a Louisiana college and remain in Louisiana through at least the fall semester following the one year anniversary of high school graduation must meet the deadline listed on the reverse side of this brochure. For all other students, the deadline is July 1 following the first semester of enrollment or re-enrollment at an eligible Louisiana college.

"Certain cosmetology and proprietary schools" include any school with a valid and current certificate of registration issued by the Louisiana State Board of Cosmetology that is accredited by an accrediting organization recognized by the U.S. Department of Education, and any proprietary school with a valid and current license issued by the Board of Regents that is accredited by an accrediting organization recognized by the U.S. Department of Education.

10 - Tuition varies from institution to institution. Your institution may include fees in your tuition that are not covered by TOPS.

11 - Applicable to students who complete a La. Board of Elementary and Secondary Education (BESE) approved home-study program at the twelfth grade level and who meet the residency requirements (See Note 1).

12 - Applicable to students who graduate from an approved out-of-state high school and who meet the residency requirements (See Note 1). Students who graduate from an approved high school located outside of the U.S. may also qualify for a TOPS Opportunity Award with an ACT score of 23 or higher, provided a parent(s) of the dependent student was actively engaged in work or other activity on behalf of a Louisiana employer or sponsor and actually lived in Louisiana for at least the 24-months preceding the date the work or activity outside the U.S. began, and must have remained a Louisiana resident through the date of the student's graduation from high school.

13 - Unless the recipient of an award is ineligible for federal grant aid, a FAFSA must be filed annually to be received by the state deadline of July 1.

14 - Students who fail to maintain a 3.00 GPA revert to the Opportunity Award, provided the minimum GPA for that award has been maintained.

15 - Provided that the period of ineligibility did not extend for more than two years.

16 - Recipients may pursue an academic degree or technical diplomas or both, but may not exceed the award limit.

17 - Any student who successfully completes an academic undergraduate degree in less than the eight semesters of eligibility may receive any remaining award benefits if the student enrolls in a postgraduate academic program at an eligible institution and continues to meet all academic and other requirements for continuation of the award.
