Tuition Assistance Applications are accepted now through April 1, 2022 in FACTS.

- We encourage all families that are concerned about the accessibility of St. Michael to apply for tuition assistance.
- Families applying for tuition assistance will need to complete the FACTS application online, pay the \$40.00 fee online and submit the necessary supporting documentation to FACTS by March 31, 2022.
- FACTS uses a standardized method of evaluation to review submitted applications and then provides a confidential report to St. Michael High School. The St. Michael Tuition Assistance Committee will review the report along with submitted applications to award tuition assistance.
- Questions or concerns about Tuition Assistance should be directed to Susan Thibodeaux, Finance, or Jack Nelson, President.

The Diocese of Baton Rouge Catholic School's Office offers tuition assistance via the **Bishop's Annual Appeal** and the **Black and Indian Mission Funds**.
