

Diocese of Baton Rouge Catholic Schools

Principal Opening 2024-25 School Year

St. Michael the Archangel High School Baton Rouge, Louisiana

St. Michael is a co-educational, college-preparatory school, grades 9-12, for students who are seeking a traditional, comprehensive, Catholic education. With a passionate, experienced faculty and a rich and challenging curriculum, St. Michael provides the ideal environment for students to achieve their full potential. Students are encouraged to work hard, to dream big, and to see academic success as an exciting and worthwhile pursuit.

St. Michael the Archangel Diocesan Regional Catholic High School was established in 1984 by the Catholic Diocese of Baton Rouge. The school was founded on the belief that we are persons uniquely gifted by God. Students are given the opportunity to acquire knowledge and to recognize and develop their God-given talents within the context and tradition of a Catholic, co-educational community. The school community believes that the experience of a Christian environment, where the virtues of love, respect, unity, and dignity are expounded, enables each one of us to accept Jesus as a model and teacher and to understand the message of the Gospels. To learn more about the school, visit www.smhsbr.org.

It's an exciting time at St. Michael as it transitions to the popular President-Principal model. In this increasingly popular structure, the Principal reports to the President and serves as the day-to-day leader of academic operations, including all aspects of the student experience – from the classroom to the playing fields, to faith formation and extracurricular programming.
