Over \$20,000 was raised during our inaugural Giving Week (April 7-11). Thank you to our alumni who came together to financially benefit the Fund for St. Michael. Congrats to the Class of 1995 for having the most participation. The '95 grads will be treated to a private tailgate at Warrior Stadium during the 2025 football season. If you missed Giving Week, it is never too late to make a gift to the Fund for St. Michael. For more information, click [here](#).

The final touches to Warrior Stadium are complete! Thank you to our generous donors who helped make what was once a dream, a reality. For more information on how you can give to Warrior Stadium, please click [here](#).

- Cheer on the Warriors at the Spring Football Game on May 13th at 6:00 pm. Tickets are \$10 and can be purchased [here](#).
- Hundreds of middle school student-athletes competed at the first ever track and field meet at Warrior Stadium on Saturday, April 12th.

Around Campus

- Soon to be alumni, the Class of 2025 is making their last week of school one to remember. Seniors started the week as "senior citizens" and are ending it with the annual crawfish boil. Graduation will be held on Friday, May 16th at Warrior Stadium.
- Over Easter break, turf and sun sails were installed to our servium courtyard giving the popular student area a much-needed makeover. New tables and benches were purchased as well and have recently been shipped. Proceeds from the #iGive Catholic fundraiser and the Fund for St. Michael were used for the upgrade.
- St. Michael has gone to the dogs! For Mental Health Awareness Week, on April 14th students were able to relax and decompress by hanging out with our four-legged friends. Thank you to Bayou Buddies for providing the therapy pooches!
